BACKGROUND

Al-Bashir Group has been in the automotive business for more than half a century. Our chairman, **Mr. Bashir Uddin** Malik's journey started off with spare parts sales under the guise of **Al – Nasir Motors**, a name that was synonymous with quality and excellence. Al – Nasir's strong reputation paved the way to a rapid national footprint growth in parts sales.

Mr. Bashir Uddin Malik's success in parts sales led to his entry into the **Toyota family**; starting off with a dealership in Faisalabad (**Toyota Faisalabad**). Toyota Faisalabad's stellar performance increased Indus Motor's confidence in us, which eventually translated into two more dealerships, **Toyota Sargodha** and **Toyota Lyallpur** and the recently added **Toyota Chenab**.

With his strong reputation in the automotive industry, Mr. Bashir Uddin was a sought after resource. **Hinopak Motors Ltd** approached him with a proposition for a 3S dealership covering Punjab, which was accepted and since then **Lahore Central Motors Pvt. Ltd** have given a year on year growth.

The following is a list for our dealerships/ventures:
